HSI6000 Headset Interface Adaptor

Key Features and Benefits

- Allows use of personal cordless phone or cell phone headsets to be used with the following beltpacks: BP200, BP210, BP300, BP340*
- Allows purchase of replacement headsets at numerous local retail outlets

Order Codes

HSI6000

The HSI6000 enables more headset and user options without sacrificing clear, digital communication.

Description

The HSI6000 allows any user to connect a standard 2.5 mm cordless or cell phone headset to BP200, BP210, BP300 and BP340 beltpacks. The adaptor provides an inexpensive alternative to typical industry standard headsets without sacrificing sound quality.
